GLOSSARY OF TERMS

Term	Meaning
Church	Holy Trinity Church, Prestwood, the Church Cottage, the Church Hall, the Graveyard and all car parking areas
HTP-HSP	Holy Trinity Church, Prestwood – Health and Safety Policy.
Generic Headings	A word or phrase identifying a general area of activity in the church and adjacent buildings. Examples; Church Cleaning; Marriages; Lone working; etc.
Persons	Any person undertaking activities within the church and/or its adjacent buildings; graveyard and car parks.
PCC	Parochial Church Council who have a general responsibility for the implementation of the HTP-HSP.
Health and Safety Officer (HSO)	The nominated person responsible for ensuring compliance with the HTP-HSP.
Health and Safety Sub-Committee	The group comprising the HSO and others responsible to the PCC for the implementation of the HTP-HSP.
Activities	The various elements required to undertake the general area of activity identified in the General Heading. These form the core of the HTP-HSP.
Specific Event	An event that is part of the General Heading but which might also include unique Additional Activities.
Additional Activities	As defined in Activities but additional to them where required by a Specific Event.
Risk Assessment	A template based analysis of the activities to identify Hazards and Risks. Where Additional Activities are identified for a Specific Event an additional analysis is undertaken to identify Hazards and Risks associated with these.
Required Actions	Actions identified in the Risk Assessment necessary to eliminate or mitigate the Hazards or Risks.
Additional Required Actions	Actions identified in the Risk Assessment of Additional Activities necessary to eliminate or mitigate the Hazards or Risks.
Recommended Actions	Actions identified in the Risk Assessment necessary to eliminate or mitigate the Hazards or Risks but which might be impractical. These should be considered if circumstances allow.
Additional Recommended Actions	Actions identified in the Risk Assessment of Additional Activities necessary to eliminate or mitigate the Hazards or Risks but which might be impractical. These should be considered if circumstances allow.

1. PURPOSE OF THIS PART 13 YOUTH GROUP

The purpose of this Part 13 Youth Group of the HTP-HSP is to identify the extent of Activities associated with this Generic Heading. It also identifies the persons who are likely to be associated with these Activities and who should, therefore, comply with the requirements of this section of the HTP-HSP. These are included in Section 2 SCOPE below

In Section 3 RISK ASSESSMENT it provides outline details of the Risk Assessment undertaken but does not include the actual Risk Assessment document. Details of the Risk Assessment are provided to allow persons to access it if required.

The Health and Safety Policy derived from the Risk Assessment is included in Section 4 of this document which must be complied with by all associated with the Activities identified. Section 5 lists the Required and Recommended Actions necessary to ensure compliance with Part 13 of the HTP-HSP.

2. SCOPE OF PART 13 OF THE HTP-HSP

2.1. Activities deemed to be included

A review of the Youth Group has identified a number of Activities that are associated with this Generic Heading. It is recognised that this may not be all-inclusive. Persons who are involved are, in specific cases, recommended to make their own assessment in order to identify any Additional Activities that need to be considered in the context of the HTP-HSP.

2.2. Significant Additional Activities

If any Additional Activities, identified as described in Section 2.1, are deemed to be significant they shall be advised to the Health and Safety sub-group of the PCC for consideration. As required a further Risk Assessment of these Additional Activities shall be undertaken and the resultant Required and Recommended Actions advised to the Persons involved.

2.3. Persons likely to be affected

A review of the Youth Group has identified a number of Persons who are likely to be associated with this Generic Heading. These Persons are those who must comply with the HTP-HSP by adherence to the Required Actions and consideration of the Recommended Actions. They should also act in a manner consistent with the HTP-HSP in respect of any identified additional Activities. Where significant Additional Activities have been identified and reviewed as described in Section 2.2 Persons shall comply with any resultant Additional Required or Recommended Actions.

The Persons identified are:

- Members of the Youth Group
- Leaders
- Parent's, Guardians and Carers

3. RISK ASSESSMENT

3.1. Risk Assessment details

3.1.1. Reference and Date

The Risk Assessment Reference is 13-RA-2017 01 dated 11/07/2017.

3.1.2. Assessed Activities and associated Risks and Hazards

The identified Activities relate to:

- Lack of leaders
- Trips and fall
- Improper use of equipment
- Hazardous equipment and materials
- Use of Cooking/Kitchen equipment
- Fire

3.1.3. Conclusions

The identified risks and hazards analysed in the Risk Assessment have demonstrated the need for Required and Recommended Actions as tabulated in Section 5 of this part of the HTP-HSP.

4. HEALTH AND SAFETY POLICY - PART 13 OF THE HTP-HSP

The Youth Group includes lots of activities for the older children including games, physical exercise and making things. Inevitably, there are likely to be accidents resulting from these activities.

Responsibility lies with the Leaders for ensuring that the children are kept in a safe environment whilst in the Youth Group but they also need to be able to respond to accidents if or when they occur.

This Part 13 of the HTP-HSP is intended, in general terms, to suggest means of eliminating or mitigating the risks and hazards associated with the Youth Group.

5. ACTIONS

5.1. Compliance with Health and Safety Policy

In order to comply with the HTP-HSP a number of Required and Recommended Actions have been identified in the Risk Assessment. These Required and Recommended Actions are set out below.

5.2. Required Actions

Table 1 below lists the Actions that have been identified in the Risk Assessment that are required by all who are involved in these Activities.

Table 1 Required Actions

<ol style="list-style-type: none">1. Parents/Guardians/Carers to enter details of any allergies affecting children in their care on the Registry Form2. Unless at least two leaders are present then the Youth Group cannot start or continue.3. Leaders to take a register at the start of each session4. Leaders to arrange Fire Drill at least once a term5. Leaders to ensure that all Fire Doors (where available) are kept unlocked6. The two leaders must be present at all times7. Leaders must be aware of the location of a First Aid kit8. If an accident occurs of site an Accident report must be noted in the book in the Church Cottage at the earliest convenient time Accident book9. In the event of an accident an entry must be made in the Accident Book10. The leaders must, before use, check the location for the activities for any hazards and remove or give appropriate warnings11. Leaders to provide instructions before any activities start12. Leaders to give appropriate warnings about use of tools and equipment, e.g. scissors etc.13. Leaders to advise regarding the use of any materials deemed to be hazardous or to find alternative materials14. Leaders to ensure against the improper use of or equipment15. In kitchen Leaders to check that all surfaces and equipment id clean and appropriate for use.16. In kitchen Leaders to advise on safe use of knives17. In kitchen Leaders to ensure that hazardous materials and cooking ingredients are kept separate18. If children are to be collected or returned to the Youth Group at least two adults to be present19.

5.3. Recommended Actions

Table 2 below lists the Actions that have been identified in the Risk Assessment that, because of practical reasons, are not required by all who are involved in these Activities. However, if proved to be practical in a specific event, the listed actions in Table 2 are recommended to reinforce or supplement the Required Actions listed in Table 1.
